Christmas

In our country Christmas is the most popular holiday of the year.

Streets, shops, houses and trees are decorated with coloured twinkling bulbs, stars, chains and candles. You can hear Christmas carols and send Christmas cards to your relatives and your friends. People wish each other “a Merry Christmas and a Happy New Year!”

Some people put beautiful wreaths on the front door and above the table or door some mistletoe for good luck.

Little children believe that the Little Jesus brings them Christmas trees and presents.

Christmas Eve – on 24th December is the most important day for our people. We open our presents in the evening after the Christmas dinner. Lots of people eat fish soup, fried carp and potato salad, special Christmas cakes, cookies and gingerbread biscuits.
