One day mother of Little Red Riding Hood put some fruit, cake and a bottle of wine into the basket. She said to her daughter: „Your granny is ill. Go and give her this basket.“ Little Red Riding Hood went to her granny and in the wood she met the wolf. „Where are you going?“ asked the wolf. „My granny is ill and so I am going to visit her,“said Little Red Riding Hood. She saw very nice flowers on the meadow behind the wood. She picked them for her granny.

The wolf went to granny's cottage. He entered her room and ate her. Then he went to granny's bed.

Little Red Riding Hood opened the door of granny's cottage and came in. She drew near the bed. „Why do you have such big eyes?“she asked. „I would like to see you better,“ was the answer.

Little Red Riding Hood: „Why do you have such big ears?“

„I would like to hear you better,“said the wolf.

Little Red Riding Hood: „Why do you have such big teeth?“

„I would like to eat you better,“said the wolf and jumped out of the bed and ate the girl.

At the same time the hunter was passing by the cottage. He heard loud snoring. He entered the room and saw the wolf. The hunter took his knife and cut the wolf's belly. Little Red Riding Hood and her granny jumped out. They thanked hunter very much.
