## AKTIVITA 25

### OTÁZKY S MODÁLNÍM SLOVESEM SHOULD / SHOULDN'T

#### QUESTIONS WITH SHOULD / SHOULDN'T

jazyková úroveň: mírně pokročilí

pomůcky: příloha 25A

postup: čtete jednotlivé otázky s výrazy should / shouldn't a odpovídejte

Slovesa **should / shouldn't** používáme podobně jako sloveso MUST a MUSTN'T, povinnosti vyplývající z tohoto slovesa však nejsou tak silné jako u MUST. Do češtiny je můžeme (v 1.osobě) přeložit jako **měl bych / neměl bych**.

příklad: WHAT SHOULD YOU DO TO LOSE WEIGHT?

*I think I should take up a new sport or I should eat more fruits and vegetables. I shouldn't sit at the computer all day long.*

HOW SHOULDN'T YOU BEHAVE AT A PARTY?

*That's an interesting question. I shouldn't drink too much hard alcohol because I usually have a horrible headache the next day*

varianta 1:

- studenti mohou podrobněji diskutovat o vybraných otázkách

What should you do to lose weight?	What should you do to improve your spoken English?
What should you do during a summer storm?	What do you think you should do if you can't sleep?
How much water should you drink every day?	What should you do if you feel depressed?
What things should everybody recycle?	How shouldn't you behave at your graduation ball?
How long should you sleep at night?	What should you do if you get sunburned?
What programs shouldn't you watch on TV?	How should you help your parents at home?
How should you behave at school?	What should you do to be always on time?
What should you do if you have the flu?	Where should you go if your wallet was stolen?
What things shouldn't you do in the cinema?	What should you do if you see an accident?
How should you behave in the library?	Who should you contact if you have problem in foreign country?
What summer job should you do to earn a lot of money?	What shouldn't you do if you drive a car?
What should you do to enjoy your weekend?	What should you do to pass your school-leaving exams?
