Clean Beaches For Everyone

Most people enjoy going to the seaside in summer, but no one likes to go to a dirty or polluted beach. **56**

Firstly, there should be rubbish bins provided on the beaches. **57** Also, these bins should be emptied every day so rubbish doesn't build up.

58 What is more, people who are caught dropping litter should pay a fine of £50. **59**

On the other hand, some people believe that

the local council should pay somebody to make sure the beaches are kept clean. **60** In my opinion, if we each do what we can, this money can go to other things to improve our towns.

All in all, I believe people should look after their own beaches. If we all take our rubbish home or put it in the bin, our beaches will be nice, clean places for us to enjoy and be proud of.

- A In this way they wouldn't drop litter again.
- B Sometimes this is all people need to remind them to take their rubbish home.
- C So, what can we do to make sure our beaches are nice and clean?
- D However, this will cost a lot of money.
- E In this way visitors will have somewhere to put their rubbish.
- F In my opinion, factories that pollute beaches should pay a large fine.
