The image shows a screenshot of a language learning application interface. The background is a dark purple color. In the top right corner, there is a green play button icon and a timer showing "00:00".

The main area of the interface is a large, empty purple space. On the left side, there is a yellow rectangular button with a vertical line down the middle, containing the text "mez" on the left and "opposite" on the right. To the left of this button is a green left-pointing arrow, and to the right is a green right-pointing arrow.

On the right side, there is a vertical stack of four yellow rectangular buttons, each with a vertical line down the middle. The text on these buttons is as follows:

- Top button: "na" on the left, "at" on the right.
- Second button: "v" on the left, "on" on the right.
- Third button: "u" on the left, "next to" on the right.
- Bottom button: "naproti" on the left, "in" on the right.

At the bottom of the interface, there is a horizontal bar containing several icons: a green left-pointing arrow, a yellow figure icon, a green circular arrow, a green circular arrow with a refresh symbol, a white trash can icon, and a green button with a red 'X' and a yellow checkmark.
