A letter from holiday

Dear Paul,

I am on holiday in Greece. I am here with my family, it's beautiful holiday. On Saturday we took the plane from Prague, we arrived in the evening. The journey lasted three hours, so at ten o'clock we landed in Athens.

We stay in a small hotel near the sea, so it takes just few minutes to reach the beach. Every day we go to the (1)_____, we build sand castles, we play beach volleyball, we also tried kiting. Because the weather is very nice and the sun shines, we go sunbathe too. We will come back beautifully suntanned.

Sometimes we go to restaurants to taste Greek specialities, we tried lamb meat, Greek cheese and yoghurt. It was delicious!

Yesterday we (2)_____ in the sea the whole day, I have found many shells, but today in the afternoon we are going to visit the old city center. I have heard that there are many interesting sightseeings like museum, castles, etc., so I am looking forward to the trip.

On Thursday we would like to go for a trip by (3)_____, there is an unique oportunity to see dolphins in their habitat, maybe it will be possible to swim with them.

We should return on Friday, so I will make a photo presentation for you.

How do you spend your holiday?

Have a great time,

Timmy
