FOOD

1. Read the following text.

Food is really my favourite topic. I love eating. I even can cook. I sometimes make meals for my friends when I invite them for evening. I usually make some sandwiches and salad. Vegetable salad is very healthy. I often use vegetables for preparing meals.

Our Mum makes food for us. She is an excellent cook. She can make delicious cakes. Our Dad makes barbecue in the garden. He is very good at it. We have family breakfast, lunch, and dinner at weekends. On weekdays we eat out. My brother and I go for lunch to school cafeteria, and our parents eat in the canteen. We sometimes go to a restaurant, mostly on holidays. I eat at fast food restaurants with my friends. I love chips and milk shakes.

I have breakfast at 7 o'clock from Monday to Friday, because I have to go to school. I usually have a roll or a slice of bread with butter and jam or ham and cheese. I don't like eggs. I drink a glass of juice and a cup of cocoa.

Mum gives me an apple or a banana, yoghurt, and a bottle of mineral water. I eat my snack at about half past nine. All the kids from my class have snack. Someone has got bread and salami, biscuits, or chocolate bars. Dan has always got a packet of crisps. I don't think it's good.

We have lunch at half past 12 at the school cafeteria. It is usually rice, potatoes, or pasta with meat and vegetables. At weekends Mum makes dumplings and sauce. Dad says, that he is getting fat.

At 4pm I have tea with a cake or some biscuits. I have dinner at 7 pm in our kitchen together with my Mum, Dad, and my sister. We like salads, sandwiches, pasta, fish, and chicken meat.

I think it is good to eat healthy food: a lot of fruit, vegetables, cheese, yoghurt, fish, and cereals. And what do you think about food? Can you make any meals?

(Paul, a 12 year old boy)
