Meals in Britain : breakfast

A traditional English breakfast is a very big meal - sausages, bacon, eggs, tomatoes, mushrooms.....
 But nowadays many people just have cereal with milk and sugar, or toast with marmelade, jam, or honey. The traditional breakfast drink is tea, which people have with cold milk. Some people have coffee, which is made with just hot water.

British lunch :

For many people lunch is a quick meal. There are a lot of sandwich bars, where office workers can choose the kind of bread or a roll - and then all sorts of salad and meat or fish to go in the sandwich. School- children can have a hot meal at school, but many just take a snack from home - a sandwich, a drink, some fruit, and some crisps.

It means two things. It is a **drink and a meal** ! Some people have afternoon tea, with sandwiches, cakes, a cup of tea. Cream teas are popular. You have **scones** (a kind of cake) with cream and jam.
