Education in the Czech republic

Education in our republic

Fill in the gaps: four, state, education, free, uniforms, September, kindergarten, crèches, terms:

1) _____ in the CR is compulsory from the age of 6 to the age of 15. Most children attend 2) _____ school, but there are also some private and church schools. Education at state schools is 3) _____ of charge, but students must pay for their books. Children in our school system do not wear 4) _____.

The school year starts in 5) _____ and ends on 30 th June of the following year. The school year is divided into two 6) _____ (September – January, February – June).

There are 7) _____ stages of education in our country: pre-school, primary, secondary and tertiary.

Pre-school education begins at the age of 6 months when children may attend 8) _____ until the age of three, but usually mothers stay with them at home. From the age of 3 till the age of 6 children attend 9) _____ (nursery).

Fill in the gaps: exam, special, vocational, grammar, evaluated, nine, education

Primary education starts at basic schools and lasts 10) _____ years.

Secondary education lasts usually four years – from the age of 15 till age of 18 and students can choose among:

11) _____ schools which prepare students for university study

12)_____ schools like nursing schools, music and art schools, technical schools specialized in building, ...

13)_____ schools which prepare young people for practical jobs

Students of secondary schools have to sit for their graduation exam after their 4 years studies. The examination is taken in minimaly four subjects. One of them is an obligatory exam in Czech. Our school is specialized in economics, so we can choose perhaps among Economic, accountancy, maths or foreing language. The exam from each subject lasts about 15 minutes of preparation and 15 minutes of speaking about the topic and solving given tasks.

Czech students are 14)_____ by marks 1 to 5. 1 is the best and 5 is the worst.

Tertiary 15)_____ starts after the secondary school and lasts usually from 4 to 6 years. Students may attend various universities or colleges (Philosophical Faculty, Technical College, Law Faculty, Pedagogical Faculty) But before you start to study there you have to pass entrance 16)_____ in the subjects which the university is specialized in.

Questions:

Did you attend kindergarten?

At what age did you start to attend elementary school?

Which subjects did you enjoy and which ones did you, on the contrary, dislike?

Do you think basic education should be compulsory?

Would you like to study at a university in the future? If so, say which one and give reasons why you prefer this school over others?

Is the school attendance compulsory in the CR?

Do students have to pay for their education?

When does the school year start/finish?

How is school year divided?

Name 4 stages of education in our country!

Which institution can children attend until the age of 3?

How long does primary education last?

Which type of secondary schools can students study in the CR? How are the students evaluated? What is the best and the worst?

Which universities can our students study after secondary schools?

Odpovědi:

- 1) education, 2) state, 3) free, 4) uniforms 5) September, 6) terms, 7) four, 8) crèches, 9) kindergarten 10) nine, 11) grammar, 12) special, 13) vocational, 14) evaluated, 15) education, 16) exam.
